

Luminometer

The most affordable & reliable ATP system ever!

systemSURE II™ & Ultrasnap™

Improve Product Safety and Quality,
and Reduce costs

- Optimise cleaning procedures
- Reduce down-time and wastage
- Verify HACCP compliance
- The most cost effective hygiene detection system

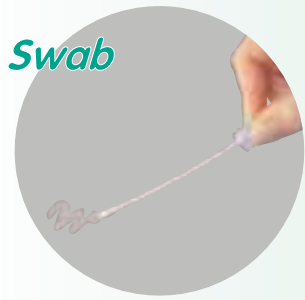

Rapid Solutions for Food Safety

Sample collection and activation

- Solid surfaces or liquid samples

Measurement and data management

15 secs

systemSURE II™

Features

- Most affordable luminometer ever
- Smallest, lightest luminometer (260g; 17x7x3cm)
- Very sensitive (detects down to 1 femtomole ATP using Ultrasnap™)
- Simple to use, menu driven operation from keypad
- Programmable Pass/Fail levels
- Store up to 500 results
- Stand alone system or download to PC
- Spreadsheet compatible data
- Large & small users
- Industrial food processing, caterers or inspectors

Rapid Solutions for Food Safety

ULTRASNAP

Features

- All-in-one reagent device
- Pre-wetted swab
- For solid surfaces and liquid samples
- Unique liquid-stable reagent formulation
- Unprecedented accuracy and reproducibility
- Robust, tolerant to temperature abuse
- 12 months shelf-life
